

CONCERNING COVID-19 (CORONAVIRUS)

Family Medicine of Albemarle is concerned about the spread of Coronavirus. We have taken extra precautions to ensure our facilities are clean and our staff are using effective infection prevention techniques.

Our office will remain open for your health care needs.

While we urge you to keep your appointments, we understand this is a personal decision. We are able to perform some exams without having you enter our office. We ask that you contact us if you need to change or reschedule your appointment.

If you are showing any flu-like symptoms:

Please call our office at (434) 973-9744, to obtain an assessment of your condition.

- + Cough
- + Respiratory distress or difficulty breathing
- + Fever

Do not come to the office with any of these symptoms without speaking with us in advance.

Our main goal is to keep you safe and healthy.
